

## Press Releases

The Clean Fuel Partnership helps to spread the word of our latest fleets fueling with alternative fuels by holding press conferences. Southeast Louisiana Parishes Designated as U.S. Department of Energy 86th Clean Cities Coalition March 26, 2008 The Southeast Louisiana Clean Fuel Partnership is pleased to announce it has been designated the 86th Clean Cities coalition by the U.S. Department of Energy (DOE). Housed at the Regional Planning Commission, the Southeast Louisiana Clean Fuel Partnership works to advance the nation's economic, environmental, and energy security by supporting local decisions to adopt practices contributing to the reduction of petroleum consumption. The new coalition encompasses the parishes of Jefferson, Orleans, Plaquemines, St. Bernard, St. Tammany, St. Charles, and St. John the Baptist, and is supported by the Louisiana Department of Natural Resources.
